

### Stage 3 Over the Hill Gang

Fortunately you were ready when you saw the Kid Concho gang trying to sneak up on ya from over the hill (Over the Hill Gang).

So now it's time for the showdown.

They may be a little long in the tooth, but they're tough to bring down.

Rounds : Ristols 10, Rifle 9 Shotgun 4+

Pistols holstered, Rifle on window ledge, shotgun staged by either side of the door.

Start at Hay Bail, with hands not touching guns.

At beep, sweep one direction with first pistol and the other direction with second pis

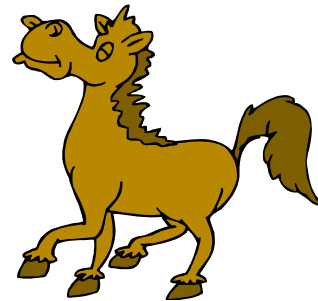

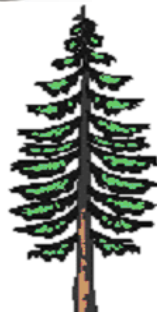

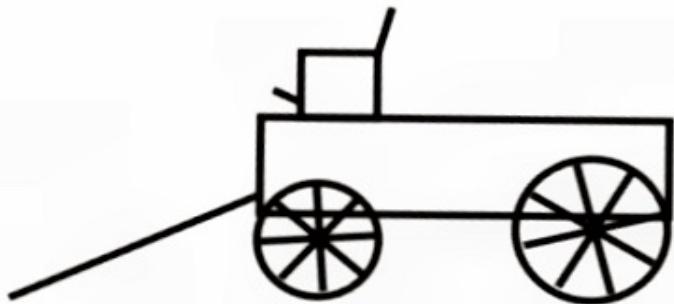

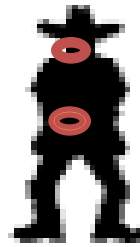

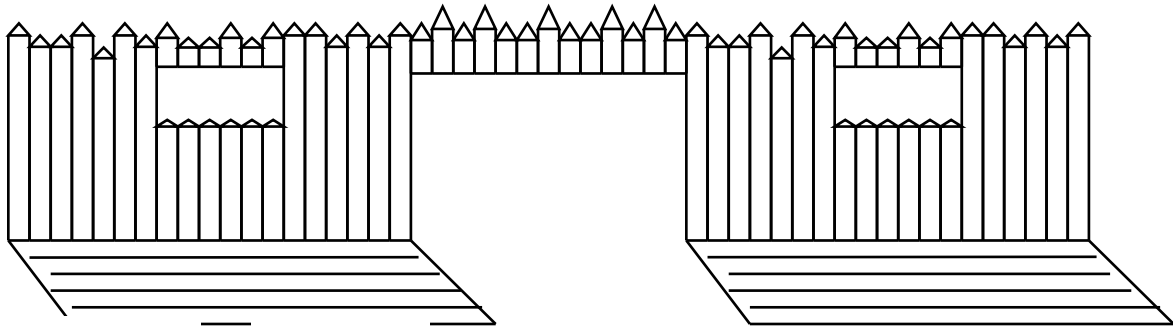

Pick up Rifle at window and Nevada Sweep Rifle targets - return Rifle to window

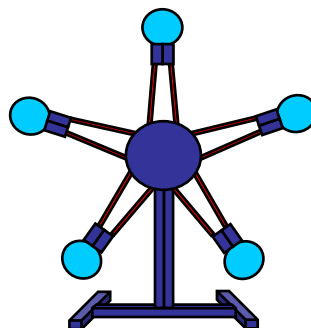

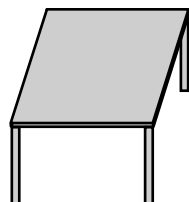

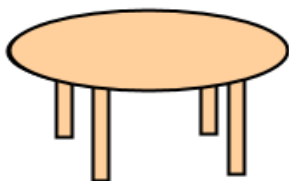

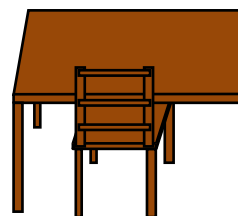

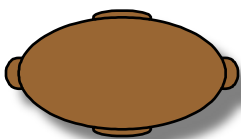

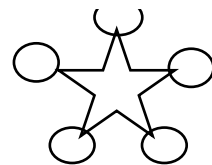

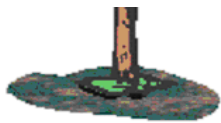

Move to Door, pick up Shotgun and alternate on two targets for 4 rounds.

BOX  
A  
START

**Pistols** loaded with 5 rounds each, with hammers on empty chambers.  
**Rifle** is loaded with 10 rounds and staged on the table with hammer on an empty chamber.  
**Shotgun** is staged on the table, open and empty, 4 rounds on your person.  
**Shooter starts** at position one with their one pistol drawn (not cocked) and pointed at the left pistol target.  
**At the buzzer**, shoot 1 round on the left target, 1 round on the right target, 1 on the left , 1 right and end with 1 round on the left target. Holster or table your revolver with muzzle down range.

Move to position two, pick up your shotgun and shoot the poppers from left to right **Set the shotgun back on the table, action open and cleared.**

Move to position three and pick up your rifle. Shoot the squares three times each, in any order, and put the tenth round on the small square target (This is a 10 second bonus if you knock over the target). Put the rifle back on the table, action open and cleared.

Move to position four, after stopping draw your last pistol and shoot the two targets alternating back and forth with 1 round each as the first pistol stage

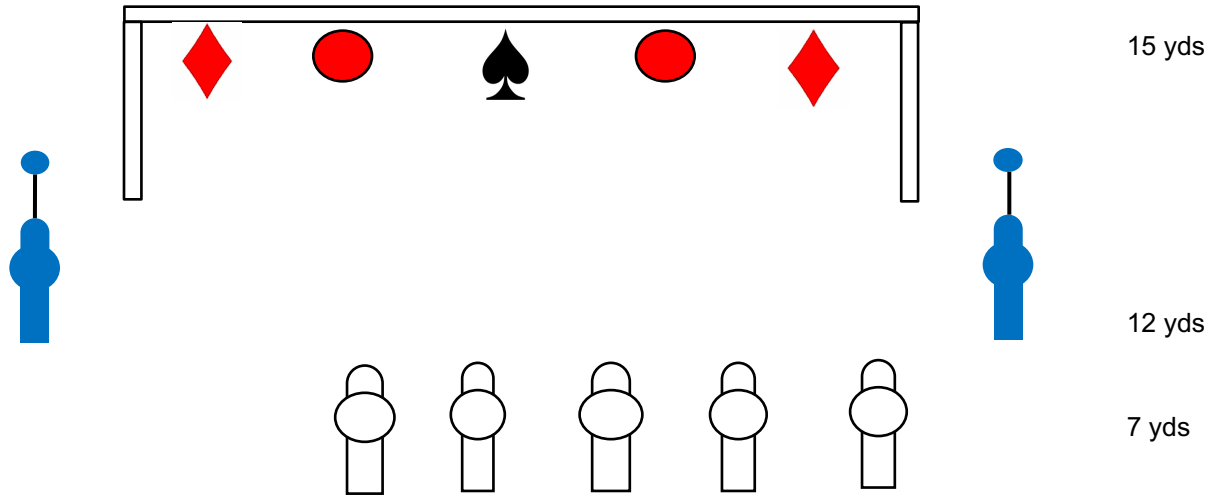

10 second penalty for any missed targets.
